Definitions

Adjusted income: The adjusted income of a beneficiary's individual primary caregiver is determined by adding together the net income (line 236 of the income tax and benefit return) for the primary caregiver and their cohabiting spouse or common-law partner (if applicable) and adjusting this family net income by deducting any universal child care benefit (UCCB) and registered disability savings plan (RDSP) payments received and adding any UCCB and RDSP amounts repaid.

British Columbia Training and Education Savings Grant (BCTESG): \$1,200 grant paid into an RESP of an eligible child born in 2006 or later. It is available to children who are resident of British Columbia with a custodial parent/legal guardian who is also a resident of British Columbia at the time the application form is submitted to the RESP provider. A subscriber may be able to apply for the grant in respect of an eligible child no earlier than the beneficiary's 6th birthday and no later than the day before the beneficiary's 9th birthday.

It includes an initial amount for the first year of eligibility and additional amounts for each subsequent year the child continues to be eligible, up to and including the benefit year in which they turn 15 years of age.
