Addendum

Addendum For Federal LRSPs

This Addendum sets out further provisions that apply to Scotia Self-Directed LRSPs which are subject to the Pension Benefits Standards Act, 1985 of Canada (the “Act”).

This Addendum forms a part of the main Scotia Self-Directed LRSP Agreement to which it is attached. In the case of any inconsistency between the main Scotia Self-Directed LRSP Agreement and this Addendum, this Addendum shall prevail in all cases.

1. Definitions

All of the definitions regarding locked-in retirement savings plans set out in the Act and the Regulations to it are incorporated in this Scotia Self-Directed LRSP Agreement.

2. Transfers

Funds in your Scotia Self-Directed LRSP may only be:

(a) transferred to another LRSP,
(b) transferred to a pension plan if the plan permits such a transfer and if the plan administers the benefit attributed to the transferred funds as if the benefit were that of a plan member with two years’ membership in the plan,
(c) used to purchase an immediate life annuity or a deferred life annuity, or
(d) transferred to a LIF or Federal RLIF.

3. Withdrawals

A. Financial Hardship

(a) You may withdraw an amount from your Scotia Self-Directed LRSP up to the lesser of the amount determined by the formula set out in subparagraph (b) of this paragraph A. and 50% of the Year’s Maximum Pensionable Earnings minus any amount withdrawn in the calendar year under the Regulations to the Act.

(b) The amount referred to in subparagraph (a) of this paragraph A. is determined by the following formula:

\[ M + N \]

where

“M” is the total amount of the expenditures that you expect to make on medical or disability-related treatment or adaptive technology for the calendar year, and

“N” is the greater of zero and the amount determined by the formula:

\[ P - Q \]

where

“P” is 50% of the Year’s Maximum Pensionable Earnings, and

“Q” is two-thirds of your total expected income for the calendar year determined in accordance with the Tax Act, excluding withdrawals in the calendar year under this paragraph A. or under paragraph 20.1(1)(m), 20.2(1)(e) or 20.3(1)(m) of the Regulations to the Act.

B. Shortened Life Expectancy

If a physician certifies that owing to mental or physical disability your life expectancy is likely to be shortened considerably, the funds in your Scotia Self-Directed LRSP may be paid to you in a lump sum.

4. Estate Matters

Upon your death, the funds in your Scotia Self-Directed LRSP shall be paid to your survivor (as defined in the Act) by

(a) transferring the funds to another LRSP,
(b) transferring the funds to a pension plan, or
(c) using the funds to purchase an immediate life annuity or a deferred life annuity, or
(d) transferring the funds to a LIF or Federal RLIF.

5. Prohibition

Except as provided in subsection 25(4) of the Act, the funds in your Scotia Self-Directed LRSP shall not be assigned, charged, anticipated or given as security and any transaction purporting to assign, charge, anticipate or give the funds as security is void.

6. Differentiation on Basis of Sex

If a pension benefit credit transferred to your Scotia Self-Directed LRSP was not varied according to the sex of the plan member, an immediate life annuity or a deferred life annuity purchased with funds accumulated in your LRSP shall not differentiate as to sex.
