The screenshot shows the 'Market Alerts' section of the Scotia OnLine interface. The 'Market Alerts' tab is highlighted with a red circle. Below the navigation bar, there are sections for 'Market Trend Alerts' and 'Market Summary Reports'. Under 'Market Trend Alerts', there are two alert options: 'Market Close Daily Notification' (set to 'Most Active' on the 'TSX/S&P Composite Index') and 'Daily Notification of Highest Equity Trade Volume' (set to '3-4 PM ET' on the 'TSX/S&P Composite Index'). Under 'Market Summary Reports', there is an option for 'ScotiaMcLeod Morning Market Comments (Daily Performance summary)'. Under 'Economic Outlook Reports', there is an option for 'Global Views (Daily Performance summary)'.

## Market Alerts

Get market trend alerts notifying you on the day's most active stocks, biggest gainers and losers, and other information from key indexes, including the TSX/S&P Composite and the NASDAQ. Market summary and economic reports sent to your email or mobile device inbox ensure you're always on top of the latest economic trends.

The screenshot shows the 'Watchlist Alerts' section of the Scotia OnLine interface. The 'Watchlist Alerts' tab is highlighted with a red circle. Below the navigation bar, there is a table with columns for 'Subscribe' and 'Alert Description'. The table lists four alert options: 'Growth (Daily Performance summary)', 'Focused (Daily Performance summary)', 'HOLDINGS (Daily Performance summary)', and 'xly (Daily Performance summary)'. The 'Focused' and 'HOLDINGS' rows have checkboxes checked. There is an 'Unsubscribe' button at the bottom right of the table.

## Watchlist Alerts

Review the performance of your Watchlist stocks at the end of each day. Check the open, high, low, close, and volume of your stocks in one convenient email or text message.

The screenshot shows the 'Equity & ETF Alerts' section of the Scotia OnLine interface. The 'Equity & ETF Alerts' tab is highlighted with a red circle. Below the navigation bar, there is a section for 'My Alerted Equities' with a search bar and an 'Add Equity' button. To the right, there is a 'Price & Volume Alerts' section for 'Alcoa Technology Inc. (ALCO)'. Below this, there is a table with columns for 'Subscribe' and 'Alert Description'. The table lists five alert options: 'Price Rises Above 3.50', 'Price Drops Below Ex. 10.00', 'Price Reaches a New 52 Week High', 'Price Moves 2.5% more than the TSX/S&P Composite over 1 Day', and 'Price Changes 2.5% or more since prior day's close'. The 'Price Rises Above' and 'Price Reaches a New' rows have checkboxes checked.

## Equity and ETF Alerts

Get up to the minute notification if your stock reaches a pre-set threshold price, moves up or down by a chosen percentage, or hits a new 52 week high or low. Receive alerts if the volume of your stock exceeds its ten day average by a selected percentage. Always be notified of corporate actions on your equities, like stock splits and dividend announcements.

## Technical Alerts

Add custom or pre-set alerts that will notify you when events of significance occur such as:

- New market insights found by scanning the Technical Event® results across a market
- New Technical Events® for one or more securities
- A price crossing a significant threshold, such as a support/resistance line, or a trailing stop level.
